

BW NICE, Inc.

Sponsorship Letter

RE: **The Red Shoe**TM Harvest Gala - September 29, 2018

Sponsorships Now Available

To Whom It May Concern:

The BW NICE Warren County Chapter and the Board of Trustees of BW NICE, Inc. are pleased to invite you to become a sponsor at **The Red Shoe**TM, scheduled for September 29, 2018. Proceeds from this event will go to our charity partner, DASACC, a not-for-profit agency dedicated to serving victims of domestic violence and sexual assault in Warren County.

In this time of budgeting and planning, we are seeking your consideration and commitment for sponsorship for our Harvest Gala event. As an important sponsor, you have the choice of several sponsorship levels. Your monetary contribution, gift certificate, merchandise, gift basket, or other donation to this event will make such a difference. We hope that you will consider supporting this worthwhile cause. This event promises to be a night to remember!

Established in April 2009, BW NICE, Business Women Networking Involving Charity & Education, provides women at all stages of business and personal life with support, education and resources. We see value in the balance of business networking and charitable outreach. We bring women together to gain meaningful business connections, learn new ways to succeed, and foster an empowering environment. Each BW NICE Chapter raises funds and awareness supporting a local organization in the fight against domestic violence.

If you have any questions regarding sponsorship levels or any other details of this event, please contact Rachel Walter Riebling, Chairwoman of **The Red Shoe**TM. Phone is 646-515-9674 and email is Rachel@FMWalterCPA.com. We thank you for your support in our 2018 Red Shoe Harvest Gala!

Sincerely,

Rachel Walter Riebling
