

A luncheon & fashion show

BW NICE, Inc.

Have Fun and Help Our Cause!

Dear Friends,

We would be delighted to have you attend our 7th annual **The Red Shoe™** event. You will spend an amazing day networking, shopping, dining, watching a fashion show and most importantly, raising money for SAFE in Hunterdon.

That's exactly what happened last year when the Hunterdon County Chapter held its 6th annual **The Red Shoe™** Luncheon and Fashion Show. We couldn't have been more proud to give \$13,000 to SAFE in Hunterdon to help them with their important mission.

Now, we're gearing up for the 7th annual **The Red Shoe™** event! On June 1, 2018, an estimated 250 guests will gather at the Hunterdon Hills Playhouse to enjoy meeting new friends, shopping among local vendors, enjoying a delicious luncheon, and a red carpet fashion show.

Proceeds from the event will help support our charity, SAFE in Hunterdon, a non-profit agency dedicated to serving victims and survivors of domestic violence and sexual abuse.

To boost the impact we make for SAFE in Hunterdon, we need your help. Please look through the enclosed packet offering opportunities to be a sponsor, merchant vendor, or advertiser. Your donations, good will, and time will help make a huge difference in the lives of women and families who are struggling in our own communities.

Also during the day, we will honor a **Businesswoman of the Year**, someone in our midst who inspires us with her leadership, energy, concern for others, and commitment to business and community. If you know such a woman, please use the nomination form to tell us about her.

On behalf of the Hunterdon County Chapter Executive Committee and the Board of Trustees of BW NICE, Inc., we hope that you will consider supporting this worthwhile cause by becoming a sponsor, vendor, or advertiser. In return, we promise you a day to remember!

Sincerely,

Diane Simovich
